In a telephonic conversation with the Examiner, Jesse A. Fenty on February 28, 2006, with the below-signed attorney, Andrew C. Walseth, the Examiner and Applicant's Representative discussed the notice of allowance.

The Examiner and Applicant's Representative specifically discussed a missing initialed 1449 Form for the Information Disclosure Statement (IDS) submitted concurrently with the original Application on July 1, 2003.

The Examiner indicated that the references of the IDS submitted on July 1, 2003 had been considered by the Examiner. The Examiner further stated that he would be sending a separate communication to the Applicant's Representative containing the initialed 1449 Form for the IDS of July 1, 2003.

Applicant believes the foregoing interview summary accurately reflects the substance and scope of the interview and requests notification if the Examiner disagrees with the accuracy or completeness of the interview summary.
